

TAXES\$ TAXES\$ TAXES\$

Do the words “assessment” and “taxes” make you break out in a cold sweat, want to hide until it’s over, or have you all up in arms? Have you ever been frustrated or confused by the process and feel helpless or hopeless?

The Town of Cambria assessment office would like to provide ways to improve your understanding of the assessment process. We see the assessment process as a partnership between the residents and the government, because both are necessary to insure that the process is fair & equitable to all citizens. As such, the objective of TAXES, TAXES, TAXES is to strengthen that partnership through education!
