

News from:

Senator Robert G. Ortt

(R) 62nd Senate District

Dear Niagara County Resident,

If you have any household hazardous waste or old electronics you're looking to get rid of in a safe manner, join local officials and me for a Special Waste Drop-off Day Event in North Tonawanda on **Saturday, April 30**.

This free collection event is open to all Niagara County residents, and will be held from **10 a.m. to 2 p.m. at the Public Works Garage located at 758 Erie Avenue**.

Anyone wishing to dispose of hazardous waste must schedule an appointment by visiting www.rethinkyourwaste.com or calling 716-439-7250. Recyclable items include latex and oil paint, wood stains, automotive fluids, pesticides and fertilizers, household cleaners, driveway sealer, pool and photo chemicals, and more.

For more information about the Drop-Off Day, call 439-7250, or email recycling@niagaracounty.com.

This is a great opportunity to get rid of dangerous and household items in a responsible way. We

hope to see you there.

Faithfully yours,

A handwritten signature in black ink that reads "Robert G. Ort". The signature is written in a cursive style with a large, looping initial "R" and a long horizontal stroke at the end.

Robert G. Ort

State Senator, 62nd District
