TOWN OF CAMBRIA SEEKS PUBLIC COMMENT ON STORMWATER MANAGEMENT ANNUAL REPORT

In an effort to increase public awareness and encourage involvement with storm water pollution prevention, the Town of Cambria, in partnership with the Western New York Stormwater Coalition, would like to invite the public to review and comment on its draft Annual Report at their meeting to be held on May 12, 2022, at 7:00 pm at the Town of Cambria Town Hall, 4160 Upper Mountain Road, Town of Cambria, New York.

The Western New York Stormwater Coalition is a group consisting of representatives from Erie County, Niagara County, thirty-nine regulated municipalities and environmental consultants. The members meet several times a year to collaborate on shared projects that support their stormwater management programs.

The draft Annual Report highlights the best management practices that the Town of Cambria has implemented in its efforts to prevent pollutants from entering municipal storm sewer systems and local waterways. For more information, contact the Town of Cambria's Stormwater Management Officer at 716-433-8523.
