

## Town of Cambria Planning Board Meeting Minutes

*June 20, 2022*

---

### **Call to order**

A meeting of the Town of Cambria Planning Board was held at 7:00 pm on June 20, 2022. Chairman, Amacher welcomed everyone to the meeting followed by the Pledge of Allegiance.

### **Attendees included:**

William J. Amacher, Chairman  
Roger Schreader, Vice Chairman  
Michael Sieczkowski, Member  
Garret Meal, Member  
Gerald Kroening, Member  
David Carter, Alternate Member  
Matt Foe, Town Board Liaison  
Gary Billingsley, Attorney  
James McCann, Building Inspector/Code Enforcement  
Matthew Cooper, Deputy Building Inspector/Code Enforcement  
Krista Brocious, Clerk Planning /Zoning Board

Members not in attendance included:

The public hearing Notice was read by Mr. Billingsley.

### **Approval of Minutes**

A motion to approve the minutes from May 16, 2022, was made by Mr. Meal and seconded by Mr. Kroening, all in favor, carried.

**THE BROADWAY GROUP, LLC /CODY DEV 2, LLC**  
**3911 Ridge Road, Lockport**  
***Dollar General***

**PSP-2022-004**  
**SBL#78.00-1-27**

Ms. Tara Bennet is present from The Broadway Group. She appeared before the Niagara County Planning Board earlier today for Site Plan Review and NCPB recommended approval. They were granted their variance for parking stalls from the Town of Cambria Zoning Board. They are requesting a 10, 600 sq. ft. building Site Plan for a Dollar General. Ms. Bennet brought some color options for the building façade with her to show the board to provide a better idea of what the building will look like.

Public Hearing Opened.

Nicholas Moshier of 5047 Carriage Lane spoke in favor of the Dollar General and feels it would be good for people to be able to go to a store close by with the rising gas prices.

## Town of Cambria Planning Board Meeting Minutes

*June 20, 2022*

---

Dave Littere of 4245 Cambria-Wilson Road expressed concerns about the design of the building, whether it will look more historical like the one in the Olcott area and if there will be an entrance and exit for the trucks on Cambria-Wilson Road, and how far back the property goes.

Public Hearing Closed.

Mr. Amacher confirmed that the County Planning Board approved this plan at their meeting earlier in the day. Evergreen trees were proposed at that meeting for year-round foliage. The entrance/exit will be only off of Ridge Road and will be 120-150 ft. from the corner.

Mr. Meal inquired as to whether the DOT (Department of Transportation) has commented on the location of the exit with the left turning lane being there. Ms. Bennett explained that the DOT has not made any comments yet other than to proceed since their first submission. They have not made any comments about the distance of the exit from the intersection. Ms. Bennett stated there is only one entrance/exit on the corner lot as permitted by the DOT.

Ms. Bennett brought two color options for the façade of the building. There is brick shading all up the entrance to make the building look nicer. Mr. Amacher preferred the khaki brown color.

There is one pole with security lighting in the front parking bay; the rest would be path lighting on the building wall. The trash bins will be gated in. The hours of operation will be from 8 am-10 pm seven (7) days a week including most holidays. There are generally 8-10 people on staff altogether, usually with 2-3 staff members on at a time. There will be no storage outside but sometimes there is seasonal merchandise put in the outside storefront for sales. The lighting will be controlled remotely so they can work with the Towns preferences for outside lighting. There are cameras inside the building but no security personnel. Ms. Bennett does not believe they have security cameras outside the store but she will find out for sure if that is the case. Truck traffic on the high end is two trucks a day to the lower end of two trucks per week. Initially, truck traffic will be heavier in order to get the shelves stocked for the first time.

A portion of the property was subdivided out almost in half. There is 300 ft. left that is still vacant land.

Stormwater drainage will be taken care of.

### **Motion**

A motion for Negative SEQR was made by Mr. Kroening and seconded by Mr. Schreader, all in favor, carried.

A motion to approve the site plan with the following conditions:

1. SWPPP(Stormwater Pollution Prevention Plan) must be approved
2. one entrance as proposed with DOT approval of the location,
3. khaki brown color and shale brown brick detail,
4. gated garbage area,
5. hours being 8 am-10 pm 7 days a week,
6. 8-10 employees, no outdoor storage other than the sale of sidewalk items,
7. soft outdoor lighting on 24/7 around the entire building for security and extra over the front exits outside with a monitored security system

## Town of Cambria Planning Board Meeting Minutes

*June 20, 2022*

---

was made by Mr. Meal seconded by Mr. Sieczkowski, all in favor, carried.

**CIR ELECTRICAL CONSTRUCTION CORP.**  
**3667 Ridge Road, Lockport**  
***Solar Site Plan***

**PSP-2022-005**  
**SBL#77.00-2-32.2**

Kevin Wagner is present for CIR Electric. A variance is needed because they have gone over the allowable sq. footage. The owner has purchased rather than leased the solar array which uses non-reflective plates. The excess goes into the grid. The home will be all electric. There are pine trees to cover the array from the road. They have provided signage for the fire departments. The array is 168 ft. from the road with the conduit underground and buried. This will be a fixed ground mount array and should power the whole house, no batteries are used. There is a recycling system for the arrays so it is up to the owner whether they replace them or recycle them once they are no longer functional. They could last 30-40 years and are warrantied for 25 years.

### **Motion**

A motion for Negative SEQR was made by Mr. Kroening and seconded by Mr. Schreder, all in favor, carried.

A motion to approve is contingent upon:

1. approval from the zoning board for the area variance,
2. no batteries permitted, and
3. the owner to be responsible for decommissioning the panels when they are no longer functional,

was made by Mr. Siekowski and seconded by Mr. Kroening, all in favor, carried.

**NIAGARA COUNTY**  
**5058 Lockport-Junction Rd.**  
***Rezoning***

**OP-2022-02**  
**SBL#107.00-2-32**

This was removed from the agenda.

### **Announcements**

Mr. Amacher announced that the next meeting is on July 18, 2022, at 7:00 pm. There will be a Special Meeting next Monday at 6:00 pm for Eagle Drive, LLC.

### **Adjournment**

A motion to adjourn @ 7:38 pm was made by Mr. Siekowski and seconded by Mr. Meal, all in favor, carried.
