BEAR RIDGE SOLAR PROJECT

Supervisor Ellis reported that the Town of Cambria has joined 28 other Town Supervisors across New York State from Niagara County down to Suffolk County, Long Island, and around the Albany District in petitioning the Office of Renewable Energy siting on the 94C draft regulations. We submitted public comments on three areas, specifically on the issue of real property, like acquiring land, takings of private property. Secondly, local laws and ordinances and whether those will be protected under home rule or be set aside by the Office of Renewable Energy Siting. And, thirdly, the participation in various hearings. They have been very quick to schedule some of these meetings virtually and they don't have quite the same impact as having a face-to-face meeting. With a total of 29 towns, and a couple other elected officials going together in this, we hope that it will send a message to Albany that we need to re-examine some aspects of these regulations because they go far beyond the issue of renewable energy when they threaten the very operation of town, governments, and other municipalities.

ADDITIONAL MATTERS

Supervisor Ellis indicated that there has been a significant increase in positive Covid-19 tests over a two week period. The increase is throughout Niagara County and specifically in the Town of Cambria. He has talked to the Town Board members and is introducing a resolution to close the Town Hall to the public beginning Monday, December 14, 2020.

Mr. Roberson, Attorney, suggested to the Town Board there be a potential end date to the closure.

**30 DAY CLOSURE OF THE CAMBRIA TOWN HALL
MONDAY, DECEMBER 14, 2020 FOR 30 DAYS**

Town of Cambria Town Hall will be closed to the public effective at 12:01 am on December 14, 2020 until January 13, 2021. (30 days)

If business cannot be conducted via telephone, e-mail, USPS or utilizing the drop box at the front entrance of the Town Hall, appointments may be made in the appropriate department- Monday to Friday 9:00 am to 1:00 pm in accordance with Covid-19 guidelines.

Upon a motion duly made by Councilman Foe and seconded by Councilman Roberts, it was resolved approve a resolution to close the Town Hall for 30 days from December 14, 2020 to January 13, 2021.

The question of the Town Hall closure was duly put to a vote on roll, which resulted as follows:

WRIGHT H. ELLIS voting AYE

RANDY ROBERTS voting AYE
JEFFREY S. HURTGAM voting AYE
BENJAMIN MUSALL voting AYE

Supervisor Ellis also reported that the Highway, Water and Sewer employees will begin to work alternate shifts. This is a precaution so that if someone contracted covid-19 it might very easily spread throughout the garage area. If that happened, the garage would have to close down and there would be no one around to plow the roads or plow out fire hydrants etc. We don't quite have that concern in the town hall and will remain fully staffed.

Supervisor Ellis wished everyone a Merry Christmas, Happy New Year, and certainly a safe holiday period, not only are we all concerned about traffic issues but even more importantly safety through this possible increase exposure to covid-19.
